

Subject: Information: Mevlana Exchange Programme (2017-2018) Application

Dear Partners,

As International Relations and EU Coordination Office of Kirikkale University; we'd like to inform you that the Council of Higher Education of Turkey has announced the application dates of Mevlana Exchange Programme for the 2017-2018 Academic year.

To make it sure that the application announcement should be done at your institutions between the dates of 14-24 February 2017 and the students and teaching staffs will make their applications to you between the dates of 14-24 February 2017. You should make students language exam between the dates 01-02-03 March 2016 and you should send us all the selected students (application documents, transcripts and score of language exam) on the date of 07 March 2017 (at last).

For students applications; students who will apply for Mevlana Exchange Programme should submit their transcript of records and application forms to you. You should make a language exam for students and you should take into consideration (%50 of transcript records + % 50 of language exam) to select them.

We'd like to highly mention that the language of instruction at Kirikkale University is Turkish; however the departments of translation and interpretation in Arabic, English, French and Persian are Turkish and in foreign language (Arabic, English, French and Persian). Hence; you should make Turkish Language Exam for students except from Departments of translation and interpretations. For Departments of translation and interpretations; you should make language exams in their language of instruction within their departments.

Please be sure that; when you're collecting teaching staffs' documents; you should take also a portfolio including their CV, a brief summary of academic studies, projects etc; then you should send them all together (applications and portfolios) to us.

After, we collect the application numbers of your side (students and teaching staffs); Council of Higher Education will determine how many students and teaching staff will take the scholarship for Mevlana Exchange Programme.

For students; their academic success (transcript of record) and their score of language exam will be taken into consideration and for teaching staffs; their portfolios (CV, a brief summary of academic studies, projects) will be taken into consideration for selecting.

The incoming students and staffs will be funded by Turkish Government, Council of Higher Education in Turkey.

The amount of money for students 900 TL for each month and the students will be supported for 4 months in 2017-2018 academic year.

Please be sure that for teaching staff payment has been indicated below and their motilities should be 2 weeks (14 days) in 2017-2018 academic year.
